

Lododvica Comello, We Are Family

Ev'ryone can see we're together
As we walk on by
and we fly just like birds of a feather
I won't tell no lie
all of the people around us they say
Can they be that close
Just let me state for the record
We're giving love in a family dose

We are family
I got all my sisters with me
We are family
Get up ev'rybody and sing

Living life is fun and we've just begun
To get our share of the world's delights
high hopes we have for the future
And our goal's in sight
we don't get depressed
Here's what we call our golden rule
Have faith in you and the things you do
You won't go wrong
This is our family Jewel

We are family
I got all my sisters with me
We are family
Get up ev'rybody and sing

We are family
I got all my sisters with me
We are family
Get up ev'rybody and sing

Cause I got all my sisters with me
(we are family)
Everybody sing
(we are family)
(we are family)
Everybody sing
(we are family)
Cause I got all my sisters with me
(we are family)
Cmon everybody and sing
(we are family)
I got all my sisters with me
(we are family)
Cmon everybody and sing with me
(we are family)
I got, I got, I got, I got, I got all my sisters with me

Ev'ryone can see we're together
As we walk on by
and we fly just like birds of a feather
I won't tell no lie
high hopes we have for the future

We are family
Cmon everybody and sing
