

Loggins & Messina, Thinking Of You

Something inside of me is taking it hard each day
Something inside of me is making me feel this way
Whenever you're near me, you've got me thinking of you

Something about your eyes won't let me look away
Something about your smile that's making it hard to say
Whenever you're near me, you've got me thinking of you

You know, you've got me singing a song
Whenever you're around me I just want to belong
To you, I would give all of my love
I wish that I could tell you all what I'm thinking of

Something inside of me won't let me begin the day
Something inside of me is making it hard to say
Whenever you're near me, you've got me thinking of you
