

# Loggins & Messina, Trilogy: Peace Of Mind

Ain't no use to keep taking abuse  
From a friend who isn't kind  
A friend in need or a friend that you need  
Who can help you through the troubled times  
So reach on out and take a hold of my hand  
And let me know that your ready to go  
There ain't no dues and you can leave your blues behind

And have a little peace, peace of mind  
Give me some peace, Peace of Mind

There comes a time when your friends go blind  
And thier words become diseased  
They threaten your life with the blade of a knife  
And set you down upon your needs  
Make no mistake for your very own sake  
Heres a little word for now  
Take off your shoes and let your thoughts be kind

And have a little peace, peace of mind  
Peace Peace of Mind... make us feel better

Some folks you find speak a mighty good line  
They charm you all the way  
They take you along on a sweet sweet song  
Then they steal your heart away  
But blessed be the one who can understand why  
People have to act that way  
Cause if I knew I wouldn't even want to say

But have a little peace, peace of mind  
Give me some peace, Peace of Mind

Everybody wants Peace, Peace of mind  
Peace Peace of mind

All we need is some... Peace.
