

# Logh, A New Hope

it's one am and time to leave  
we're back on empty streets  
there's so much time but nowhere to go  
but anyway, we can't go home

i'm up for treason anytime, i can cheat and i can lie  
the only danger here is being safe so there's no more time to waste

no time for being bored, no fear and no resort  
the party's over, the lights are out  
but hey, we can't stop now  
let's find some place off the map  
a place where it's not so safe  
a place where it's not too late  
let's go party somewhere else
