

Logic, Shimmy (feat. Joey BadaSS)

Shimmy shimmy ya, bitch I get money like O.D.B
Shimmy, shimmy, yeah, I'm finally eatin' good, no EBT
Shimmy, shimmy, yay, do this every day
Never play, bottles on the way, sip somethin' to stay up
Ya, bitch I get money like-ya, get money like O.D.B
Shimmy, shimmy, yeah, I'm eatin' good, no EBT
Ya- never play bottle, play bottles on the way
Sip somethin' to-, sip somethin' to stay up
Ayy, fuck how you feel, I'm breaking the seal
Just got out my deal, I'm keeping it real
A quarter million, that's my automobile
That thing in my glove, I need'a conceal
Why I gotta rap like this to get y'all to pay attention?
I ain't mad at the money I got, but some of y'all just don't got attention
To detail, broke nigga shop retail
Buying Goyard in the resale, fuck all that
I'ma rap where - rap where the heart at
I've been building this shit from the ground up
Fifty M's is what - is what I'm worth if I round up
'Cause I'm, 'cause I'm - Fifty M's is what I'm worth if I round up
'Cause I do what I love
Shimmy shimmy ya, bitch I get money like O.D.B
Shimmy, shimmy, yeah, I'm finally eatin' good, no EBT
Shimmy, shimmy, yay, do this every day
Never play, bottles on the way, sip somethin' to stay up
Ya, bitch I get money like-ya, get money like O.D.B
Shimmy, shimmy, yeah, I'm eatin' good, no EBT
Ya, never play bottle, play bottles on the way
Sip somethin' to, sip somethin' to stay up (mama)
Uh, yeah
Came a long way, I went from E.B.T to B.E.T
Had to spread love to Brooklyn, where that's word to B.I.G
Face I.D the only thing I need to hit the V.I.P
They be like, "Wait, who that be?" (bitch)
That be him-othy
Shimmy shimmy yeah, when I'm shaking off the enemies
Ooh I like it raw, when I'm faded off the Hennessy
Tell me who at war, watch me turn 'em to a memory
I am not the one, I'm just a one that they pretend to be (yee yee)
When I'm gone, they 'gon remember me (yee yee)
What the fuck you think you tellin' me?
Five bitches faded off the 'caine, I call 'em Denity
Bitch, I think I'm O.D.B, I might just plead insanity
Shimmy shimmy ya, bitch I get money like O.D.B
Shimmy, shimmy, yeah, I'm finally eatin' good, no EBT
Shimmy, shimmy, yay, do this every day
Never play, bottles on the way, sip somethin' to stay up
Ya, bitch I get money like-ya, get money like O.D.B
Shimmy, shimmy, yeah, I'm eatin' good, no EBT
Ya, never play bottle, play bottles on the way
Sip somethin' to-, sip somethin' to stay up
