

Lola Angst, Wild Boars On The Floor

Wild boars on the floor
Pogo dance instead of love and romance
Destroy everything and sing
I am free

The roots of destruction
Are hidden behind
Human friendliness
Confidence and
Empty satisfaction
Where the inner and the outer
Worlds are divided
You will find the reason
For the evil and you won't be blinded

Schizophrenic paranoia
Is the only medicine
Become a member of our
Sweet Church of Lola sin
We came to destroy
All the Klaus Barbie toys
They were mad like we are
Send them back to Adolfo's Hellbar
Normal artless humans
Like feindflug movements
Have no real ingenious thoughts
And are just slaves of
Some provincial gods
We will show the truth
Take this message
And you will stop to lose
We are protected by the highest laws
And the highest priests
Are connected to our Lola Beast
