

Lola Young, So Sorry

I'm toxic as fuck, I hate being in love
'Cause I always end up 'round the bend and fucking it up
And my ego is big, I wear my heart on my sleeve
And that means if you look at those girls, I'm causing a scene

I apologise in advance
I'm insecure, and I'm far too proud to tell you I'm wrong
And yesterday I got drunk
And I said some stupid things that I probably shouldn't have

So then I say sorry
I say it one too many times just to get out of the crimes
I commit
You're soft on me
I guess that's what I get when I'm always off my head
I admit

I'm sorry
I'm sorry
I'm so sorry
That I'm sorry, sorry

I'm head over heels, the ones that I hate
'Cause I always walk all over us and you don't complain
Unconditional love, yeah, that's what you do
But you said there are so many conditions for you

I apologise in advance
I'm cynical, and I'm far too proud, I tell you I'm not
The other day I got drunk
And I said some stupid things that I probably shouldn't have

So then I say sorry
I say it one too many times just to get out of the crimes
I commit
You're soft on me
I guess that's what I get when I'm always off my head
I admit

I'm sorry
So sorry
That I'm sorry
I'm sorry, I'm sorry

I hate that you still love me, I hate that you do
Don't know why you still love me, don't know why you do
I hate that you still love me, I hate that you do
When all I ever say is

I'm sorry
I say it one too many times just to get out of these crimes
That I commit
I love you
And I guess that's what I get when I'm always off my head
I admit it

I'm sorry
I'm so sorry
I say it one too many times just to get out of the crimes
I'm sorry
I'm so sorry
I say it one too many times just to get out of the crimes

Babe, I'm sorry

I'm so sorry
That I'm sorry
I'm sorry, I'm sorry, I'm sorry
I'm so sorry
That I'm sorry
I'm sorry, I'm sorry
