

# Lollipop Lust Kill, Drip

shout shout let it all out these are the things i can do without so come on im talkin to you so come on

you know your beaten when your legs are stiff your lips are frozen i but a nut on your tits

chorus-

i will kill you i want to kill you get with her and then your dead i will kill you i want to kill you

cut off your not and glue them to your head your just insane i made your death bed...as i listen to the dripping water i make believe that i never forgot her leaving me to burn in the fire as i listen to the dripping water

(chorus)

i am dead now your are dead now i am dead now we are dead now
