

Lolly, Can You Keep A Secret?

Shhhhhh, do you wanna know a secret?

I can't wait to tell you,

That I know something you don't know.

I swore I'd tell nobody,

but I've just got to let you know.

Now cross your heart and hope to die,

Now hold your hands up nice and high,

Don't cross your fingers, don't you lie,

Now let me look into your eyes so,

Can you keep a secret?

And give your word you'll never tell?

Can you keep a secret?

And promise that you'll never tell?

Can you keep a secret?

Can you keep a secret?

Shhhhhh.

I'll have to whisper something,

I don't want no one else to know.

If I don't tell somebody,

I feel like I just might explode.

Now cross your heart and hope to die,

Now hold your hands up nice and high,

Don't cross your fingers, don't you lie,

Now let me look into your eyes so,

Can you keep a secret?

And give your word you'll never tell?

Can you keep a secret?

And promise that you'll never tell?

Can you keep a secret?

Do you wanna know a secret?

Can you keep a secret?

Promise you won't tell anyone?

Can you keep a secret?

Do you promise?

And promise that you'll never, promise that you'll never tell?

Can you keep a secret?

And give your word you'll never tell?

Can you keep a secret?

And promise that you'll never, promise that you'll never tell?

Can you keep a secret?

And give your word you'll never tell?

Can you keep a secret?

And promise that you'll never, promise that you'll never tell?

Can you keep a secret?

And give your word you'll never tell?

Can you keep a secret?

And promise that you'll never, promise that you'll never tell?
