

Lolly, Do You Feel Like I Feel?

i'm feeling lost and lonely
i i need you to hold me
you never say you love me
i need to know you want me

(*)

i've never asked before, but now i'm so unsure
i need to know you care, and you'll always be there
oh baby can't you see, i need some honesty
take a good look at me, tell me

(chorus)

do you feel like i feel
i need to know if i'm wasting my time
and if you feel like i feel then let it show
cos i can't read your mind
woh woh
i wanna know where i stand
i've got a right to know so
don't keep me in the dark no no
let your feelings show through

(repeat *)

(repeat chorus)

i need to know
tell me

(repeat chorus to fade)
