

Lolly, Viva La Radio

Viva viva viva la radio
How I love my radio
I take it with me wherever I go
How I love to hear the sounds
I like to play it nice and loud

Radio-o-ooo,
That's it, I love it
Radio-o-ooo,
Turn it up Turn it up
Radio-o-ooo,
Louder, Louder
Radio-o-ooo,
I love it I love it!

Viva viva viva la radio
Viva viva viva la radio
Viva viva viva la radio
Viva viva viva la radio

How I wish I was a DJ
I'd play my favourite music every day
Radio Lolly is what it would be
And you can come and dance and party with me

Radio-o-ooo,
That's it, I love it
Radio-o-ooo,
Turn it up Turn it up
Radio-o-ooo,
Louder, Louder
Radio-o-ooo,
I love it I love it!
