

# Londonbeat, I've Been Thinking About You (the '9

We must have been stone crazy  
when we thought we were just friends,  
'Cause I miss you, baby,  
And I've got those feelings again.  
I guess I'm all confused about you,

I feel so in love  
Oh, baby, what can I do?  
I've been thinking about you.  
I've been thinking about you  
I've been thinking about you  
I've been thinking about you, shi-pow-pow!

Suddenly we're strangers,  
I watch you walking away.  
She was my one temptation,  
Oh, I did not want her to stay  
Deep down, I'm still confused about you

I feel so in love  
Oh, baby, what can I do?  
I've been thinking about you.  
I've been thinking about you  
I've been thinking about you  
I've been thinking about you, shi-pow-pow!

What good is being here without you?

I feel so in love  
Oh, baby, what can I do?  
I've been thinking about you.  
I've been thinking about you  
I've been thinking about you  
I've been thinking about you, shi-pow-pow!
