I just about had enough for you.  
I've been telling you again and again

Let go of my Heart  
Let go of my Heart baby  
Gonna make a brand new start  
So let go of my Heart  
Hey baby whatcha trying to say?  
Listen to me when I explain  
Stop calling 'cause I'm through with you  
That's what you gotta do  
Let go of my Heart  
Let go of my Heart would you  
Gotta make a brand new start  
So let go of my Heart
