

# Lonestar, Let's Be Us Again

Tell me what I have to do tonight  
'Cause I'd do anything to make it right  
Let's be us again

I'm sorry for the way I lost my head  
I don't know why I said the things I said  
Let's be us again

Here I stand  
With everything to lose  
And all I know is I don't want to ever see the end  
Baby please, I'm reaching out for you  
Won't you open up your heart and let me come back in  
Let's be us again

Oh us again

Look at me, I'm way past pride  
Isn't there some way that we can try  
To be us again  
Even if it takes a while  
I'll wait right here until I see that smile  
That says we're us again

Here I stand  
With everything to lose  
And all I know is I don't want to ever see the end  
Baby please, I'm reaching out for you  
Won't you open up your heart and let me come back in  
Let's be us

Baby baby what would I do  
I can't imagine life without you

Here I stand  
With everything to lose  
And all I know is I don't want to ever see the end  
Baby please, I'm reaching out for you  
Won't you open up your heart and let me come back in

Oh, here I am  
I'm reaching out for you  
So won't you open up your heart and let me come back in  
Let's be us again

Oh let's be us again
