

# Lonestar, Let Them Be Little

(Richie McDonald/Billy Dean)

I can remember when you fit in the palm of my hand  
Felt so good in it, no bigger than a minute  
How it amazes me, you're changing with every blink  
Faster than a flower blooms they grow up all too soon.

So let them be little 'cause they're only that way for a while  
Give them hope, give them praise, give them love every day  
Let them cry, let them giggle, let them sleep in the middle  
Oh just let them be little.

I've never felt so much in one little tender touch  
I live for those kisses, prayers and your wishes  
Now that you're teaching me things only a child can see  
Every night while we're on our knees all I ask is please.

Let them be little 'cause they're only that way for a while  
Give them hope, give them praise, give them love every day  
Let them cry, let them giggle, let them sleep in the middle  
Oh just let them be little.

So innocent, a precious soul, you turn around  
It's time to let them go.

So let them be little 'cause they're only that way for a while  
Give them hope, give them praise, give them love every day  
Let them cry, let them giggle, let them sleep in the middle  
Oh just let them be little.

Let them be little...
