

Lonestar, Reason For The Season

The shepherds are lit
A star in the sky
On the outskirts of town
A new baby cries
No room at the end
No crib to be found
Oh but look at him now

He is the reason for the season
He is the light that shines on our lives
The baby Jesus born in God's grace
So we all might rejoice on this day
He is the reason for the season

It is a time for presents and toys
Tales of Saint Nick
Tidings of joy
As we celebrate the miracle birth
Oh right here on this earth

He is the reason for the season
He is the light that shines on our lives
The baby Jesus born in God's grace
So we all might rejoice on this day
He is the reason for the season

He's the reason for the giving
The joy thats never ending
That comes on Christmas morning in the eyes of a child
It's what it means to me and you
That's the true meaning of this time
Oh this time

He is the
He is the reason for the season
He is the light that shines on our lives
The baby Jesus born in God's grace
So we all might rejoice on this day

He is the reason for the season
He is the light that shines on our lives
The baby Jesus born in God's grace
So we all might rejoice on this day
He is the reason for the season
