Long Beach Dub Allstars, Luke

Luke

Luke was a poor boy Work Very hard He had to work very hard He never had no money Drew that card Some say he drew that card Then when day he woke up

In the morning and said to himself Up off the ground Cause I keep falling down

Is this the only way to pick myself Luke was a struggler Struggling all of the time You know he never had no rhymes All of the time He never had no reason Never no rhymes In the morning and looked @ the sky Then one day when he woke up Is this the only way to pick myself Cause I keep falling down Up off the ground

That's when he realized

That everyone needs a piece of the pie That's when Luke realized Then when day he woke up That everyone needs a piece of the pie In the morning and said to himself Is this the only way to pick myself Up off the ground Cause I keep falling down

Luke had anger, yes Deep down inside Deep down inside Some say he walked that line Walked that line Then when day he woke up In the morning and looked at the sky Is this the only way to pick myself Up off the ground

Cause I keep falling down In the morning and said to himself Then one day he woke up Cause I keep falling downIs this the only way to pick myself Up off the ground
