

Long Fin Killie, How I Blew It With Houdini

Houdini popped up out of the blue
She caught me on a saturday
She said-I'm looking for a sensitive intelligent man
But all those guys have boyfriends
So you'll have to do for now

With her hearing aid and walking stick
She looked as if she'd passed her heart
But she held onto my arm and said
I'm so glad that I've found you
You're mine again
Full of the joys of a home win
I thought I'd humour an old queen
She said-I'll take you to the cinema
And show you where it's at boy.

I tried to back down courteously
Tonights the night for clubbing dear
But she pulled her arm away from me
And screamed-You hopeless e-fused disco sheep
I'm looking for a sensitive intelligent man
But all those guys have boyfriends
And you won't do.

That's how I blew it with Houdini
