

Longview, In A Dream

Life could never be
Just what you want it to be
But even in my dreams

She's got a look in her eye I can't believe
She brings me back down to earth
And wakes me up again
I try to get back to sleep
She's nowhere to be seen
In a dream

The movement of my eyes
Rapid and uninspired
My brain is getting tired

She's got a look in her eye I can't believe
She brings me back down to earth
And wakes me up again
I try to get back to sleep
She's nowhere to be seen
In a dream

Look what completes
Nothing else so sweet

I try to get back to sleep
She's nowhere to be seen
In a dream
In a dream
In a dream

There's nothing to report
From my unconscious thought
Forever falling short
