

# Longview, Wheen you sleep

You don't know what you do to me  
You don't know what you do to me  
I don't know what i want to be  
And i know what i want to be  
You don't know what you do to me  
You don't know what you do to me  
I don't know what i want to be  
You don't know what you do to me  
(only when you sleep)  
Cant believe the chills i get  
(only when you sleep)  
Fight fire, can't forget  
(only when you sleep)  
All's changing, now its real  
(only when you sleep)  
Can't believe the way i feel  
You don't know what you do to me  
(only when you sleep)  
You don't know what you do to me  
(only when you sleep)  
Couldn't stop if i made you see  
(only when you sleep)  
You don't know what you do to me  
(only when you sleep)  
Cant believe the chills i get  
(only when you sleep)  
Fight fire, can't forget  
(only when you sleep)  
All's changing, now its real  
(only when you sleep)  
Can't believe the way i feel  
Ever-lasting, still unchanging  
Ever-lasting, still unchanging  
Ever-lasting  
Still...  
(only when you sleep)  
Cant believe the chills i get  
(only when you sleep)  
Fight fire, can't forget  
(only when you sleep)  
All's changing, now its real  
(only when you sleep)  
Can't believe the way i feel  
(only when you sleep)  
You don't know what you do to me  
(only when you sleep)  
You don't know what you do to me  
(only when you sleep)  
You don't know what you do to me  
(only when you sleep)  
You don't know what you do to me
