

# Longwave, Crushed Down And Faded

if i get tired and frightened  
at the bottom of my mind  
clawing out the insides  
knowing what's behind  
if i get bored you'll see me  
wearing out my face  
you know it isn't easy  
filling up that space  
crushed and faded  
suddenly so complicated  
crawling back to you  
something cold  
slipping through  
and i know it couldn't stay  
here another day  
and i don't need to  
i don't need to ever know the way  
it's only when you hold me  
that sometimes i'd forget  
kicking back the outsides  
and take what i can get  
it's the way you move your body  
a pleasant cold release  
it makes me think it's dirty  
when i'm on my knees  
crushed and faded  
suddenly so complicated  
crawling back to you  
well something cold  
slipping through  
and i know it couldn't stay  
here another day  
and i don't need to  
i don't need to ever know the way  
i never ever lost control  
i never ever lost control  
in a light shining  
in a quiet end  
i know i never ever lost control
