

# Longwave, Everywhere You Turn

When I'm sure  
I don't know why but I feel so insecure  
And when it comes  
It comes like a great big lull

But either way  
I don't know why but I get so crazy  
And all the thoughts get twisted in knots

When I'm home  
I don't know why but I feel so all alone  
And then you come barring down like an atom bomb

And I want to, but I want to  
But I want to, but I feel all inside out  
But I want to, but I want to  
But I feel all inside out

Chorus:  
Everywhere you turn  
There's always something there  
And all the time you're getting nowhere  
Everywhere I don't know why but I get so crazy  
And all the thoughts get twisted in knots

Well I'm sure  
Sometimes I feel out just a little more  
And then it's hard  
It's harder than it ever was before  
But either way I don't know why but I get so crazy  
And all the thoughts get twisted in knots

Yeah I want to, but I want to  
But I want to, but I feel all inside out  
But I want to, but I want to  
But I feel all inside out

Chorus

Yeah I want to, but I want to  
But I want to, but I feel all inside out  
But I want to  
But I want to  
But I feel all inside out
