

Loona, La Vida (Es Una Flor)

when i was young, the taste of life was so sweet.
i thought it's forever, it's forever.
and when i was young, even the birds when they sang
they sang together, sang together.
la vida es una flor, llena de amor
l'amistad y el dolor.
because life it's like it is
sweet butterfly,
let us go for a ride,
tu y yo
when i was young, those silly games
that i played ooo it was magic, i remember
that sometimes i ran after love,
how could my mind be so blind,
i thought that first love was forever
la vida es una flor, llena de amor
l'amistad y el dolor.
because life it's like it is
sweet butterfly,
let us go for a ride,
tu y yo
when i was young, the taste of life was so sweet.
i thought it's forever, it's forever.
and when i was young, even the birds when they sang
they sang together, sang together.
la vida es una flor, llena de amor
l'amistad y el dolor.
because life it's like it is
sweet butterfly,
let us go for a ride,
i used to think life is easy
never knew what it was all about
i've seen that it's all not so easy
but i carry on in this beautiful life.
la vida es una flor, llena de amor
l'amistad y el dolor.
because life it's like it is
sweet butterfly,
let us go for a ride,
la vida es una flor, llena de amor
l'amistad y el dolor.
because life it's like it is
sweet butterfly,
let us go for a ride,
tu y yo
tu y yo
