

Looper, Bug Rain

Bug rain
Listen to all the bugs rain
Rain on the van, and watch James
Trying to stay awake

We're shaking
Just as the storm is breaking
And James is hallucinating
Trying to stay awake

In the rain and the rain and the rain and the rain
Rain and the rain and the rain and the rain
Rain and the rain and the rain and all the
Bug Rain

We know
We're two hundred miles from Fargo
And we tune into the radio
Trying to stay awake

Yawning
Through the tornado warning
Driving towards the morning
Trying to stay awake

In the rain and the rain and the rain and the rain
Rain and the rain and the rain and the rain
Rain and the rain and the rain and all the
Bug Rain

In the rain and the rain and the rain and the rain
The rain and the rain and the rain and the rain
The rain and the rain and the rain and all the
Bug Rain
