

# Looper, Bug Rain

Bug rain  
Listen to all the bugs rain  
Rain on the van, and watch James  
Trying to stay awake

We're shaking  
Just as the storm is breaking  
And James is hallucinating  
Trying to stay awake

In the rain and the rain and the rain and the rain  
Rain and the rain and the rain and the rain  
Rain and the rain and the rain and all the  
Bug Rain

We know  
We're two hundred miles from Fargo  
And we tune into the radio  
Trying to stay awake

Yawning  
Through the tornado warning  
Driving towards the morning  
Trying to stay awake

In the rain and the rain and the rain and the rain  
Rain and the rain and the rain and the rain  
Rain and the rain and the rain and all the  
Bug Rain

In the rain and the rain and the rain and the rain  
The rain and the rain and the rain and the rain  
The rain and the rain and the rain and all the  
Bug Rain
