

Loquat, Harder hit

Whats this trail right down here?
Its not going anywhere.
Even the stems look too strong
And hard to break apart.
And look at you, blank as night.
I guess you dont care.
Whatever does it mean
That you simply seem
Satisfied to stand there?
Follow meit just takes a harder hit.
Suddenly, you will see farther down.
You didnt know you could you do this on your own.
Seriously, I dont see why you give up.
A lot of trouble, not a lot of time
For something to come back to you.
I sympathize; more than once,
I have also felt that, too.
But what are your other options?
Nothings won so easily.
Even if it hurts, trying makes it worse.
Have faith it will be over soon.
Follow meit just takes a harder hit.
Suddenly, you will see farther down.
You didnt know you could you do this on your own.
Seriously, I dont see why you give up.
This will culminate in a bloody fight.
Brace yourself tightly.
Trust that, this is the only way to win
The high position.
[bridge background vox]
Stop making excuses.
Your gonna lose it.
Follow meit just takes a harder hit.
Suddenly, you will see farther down.
You didnt know you could you do this on your own.
Seriously, I dont see why you give up.
Break it. Really break it. Break it, or youre gonna lose it.
Break it. Really break it. Break it, or youre gonna lose it.
