

Loraine McFarland, Are You Thinking Of Me

Verse 1

- Feels like we really just met
- Cause your always on my mind
- And somehow I cannot forget
- The first thing you said
- Your someone i'd like to know
- Curious, say yes or no

Chorus

- Are you thinking of me
- Are you thinking of me
- Your are constanly in my head
- And you won't leave
- Is that a sign
- Are you thinking of me

Verse 2

- I'm still having doubts in mind
- And I don't know why
- Cause someone like you
- Won't hurt me
- Still im scared
- I'll be damned
- No I won't
- Ever be damned again

Coda

- Are you thinking of me
- Are you thinking of me
- Your constanly in my head
- And you won't leave
- Is that a sign
- Are you thinking of me
