

Loraine McFarland, Given Up On Love

Verse 1

I've got nothing left
But my pride
The time it takes to fall in love
Is longer than goodbye
My heart hurts to beat
My soul is so confused
Everybody's been there
Wrote there songs to sing the blues
I never felt the need to
Dwell on the past
But somethings just push me over the edge
Now I've got to move ahead
No time to remember what happened
Back when

Chorus

Cause i've given up
On love
No more
Roses and candles and
Sweet kisses
Cause i've grown up
No crying
Tired of being hurt constantly
And theres no one there to
Save me
