

# Loraine McFarland, I Love You

## Verse 1

You've have always had  
This strange sorta way  
Of coming easy  
Easy to me  
You make me smile  
It was worth all the while  
I finally got you  
You got me to  
Yeah

## Chorus

I love you  
And every lil thing you do  
I'm thinkin' bout you  
Can't help but fall into  
The only thing I need to hear you say  
I simply love you

## Verse 2

My heart skips a beat  
Butterflies take over me  
When I see you  
Or hear from you  
And those things that you say  
Take my breath away  
Only you could  
Only you could  
Yeah

## Coda

And it trips me off my feet  
I think i've fallen to deep  
Do you  
Feel it to
