

# Loraine McFarland, I Thought Wrong

## Verse 1

- I just want to move on
- Just forget about running from
- Something that I never had
- Just pretending to have feelings
- Being lost inside, feeling so confused
- If I fall in love it won't be with you

## Chorus

- Cause I know I was wrong
- Tried so long
- To push fake feelings on myself
- What a stupid thing for me to do
- Forgetting 'bout my own life
- Precious time
- That I can't get back because
- I thought I found something strong
- Well I thought wrong
- I thought wrong

## Verse 2

- Took awhile before I realized
- The things I thought I liked I denied
- I'm not going back to where i've been
- Making someone love you thats a sin
- Now I know better im not gonna lose
- Maybe this time I won't be screwed

## Coda

- Now im threw
- Nomore you
- It's all about me
- I thought I found something strong
- Well I thought wrong
- Well I thought wrong
- I thought wrong
- I thought wrong
- I thought wrong
