

Loraine McFarland, I've Just Begun

Verse 1

It's over and done with
 Don't really care no more
 I thought we 'd stay together
 Instead i'll leave you there
 You never really loved me
 I was living in a dream
 But today I finally woke up
 You really weren't for me
 I've read this story
 Know every word by heart
 There is no affection
 So now I have to

Chorus

Start all over again
 Hope the next one won't break my heart
 Wish for my prince charming
 But until I find the one
 I feel like i've just begun

Verse 2

Every cloud has got there
 There own silver lining
 The one i've always wanted
 Has been there by my side
 I waited for two years
 Now I feel that's he mine
 I just hope and pray that
 He won't ever let go
 But just incase he does
 I'm ready for the tears
 Scribble out the memories
 And once again I
