

# Loraine McFarland, In My Dreams

## Verse 1

In my dreams  
 see us two  
 And in my dreams  
 am holding you  
 And in my dreams  
 am never blue  
 Cause im with you  
 Cause im with you  
 Your in my dreams  
 We have fallen in love  
 Our names sound good  
 In the heavans above  
 wish it wasn't just all dream  
 Cause I love you  
 Cause I love you

## Chorus

Dream everynight 'bout the way it should be  
 But then I wake to nothing but a old memory  
 I'd love to kiss you in the rain  
 I loved everything you do  
 Oh I would

## Verse 2

In my dreams  
 Your all I can see  
 Us holding hands  
 One big family  
 Your in my dreams  
 And also my heart  
 Yet I can't have you  
 Yet I can't have you

## Coda

In my dreams  
 see us two  
 And in my dreams  
 am holding you  
 And in my dreams  
 am never blue  
 Cause im with you  
 Cause im with you  
 Cause im with you  
 Cause im with you
