

Loraine McFarland, Just The Way It Is

Verse 1

- How did I end up here
- I was so strong
- Because of you I live with fear
- But now
- I've learned to love again
- But now I love with lots of doubts
- I figured out
- I cannot help it
- Because of you I finally had it

□ Chorus

- If I fall for you
- I know my heart will break in two
- And I'm not going down that road again □
- I admit that sometimes
- You now and then will cross my mind □
- But now I've got nothing left to give
- And that's just the way it is

□ Verse 2

- Now you
- You have gone right back to her
- And I got someone else it's true
- But deep down I still feel for you
- I cannot help it
- But I got to break this habit

□ Coda

- You've got me so messed up I'm clueless
- Am what I'm saying even makes sense
- I have a lot of thoughts, nothing less
- I've gotta walk away
