

# Loraine McFarland, Messed Up

## Verse 1

- Little Loraine what a beautiful girl
- From the moment she was born she always loved
- Whole family was there to guide her way
- As time wen't by things started to change
- Things she knew weren't even the same
- Her family began to break apart
- There was nothing much she could do
- Just watch things fall apart and break into

□

## Chorus

- She's been messed up
- She lost and confused
- Wants to go back
- To drown out all her pain
- They all think they know her
- But no one really knows that she goes a little crazy sometimes

□

## Verse 2

- She trys to except it everyday
- Seeing a family that she knew keep slipping away
- Nothing can be done to bring them back
- She trys
- So hard not to cry
- But eventually the tears fall down
- Shes stuck in a time that she cant erase
- There is nothing much she could do
- Just watch things fall apart and break into

□

## Coda

- There is nothing much she could do
- Just watch things fall apart and break into
- Ooh she is messed up
- (REPEAT CHORUS)
