

Loraine McFarland, Runaway

Verse 1

- don't know what more i can say
- I've tried my best to understand you
- You never use to be this way
- Cause the one im seeing now it is not you
- Over and over again
- Thoughts run through my head
- Of the person I once knew

Chorus

- What went so wrong
- What did I do
- Don't keep me out please
- Don't tell me you haven't changed
- Because your not who you use to be
- And it makes me sad to you like this
- Tell me why have you changed
- I feel like im alone
- I don't wanna be alone

Verse 2

- I'm trying to be patient
- But at the same time im dying inside
- The feelings that I have can't live forever
- Cause what I feel inside is like a lie
- Over and over again
- Thoughts run through my head
- Of the person I once knew
