

Loraine McFarland, Saying Goodbye

Verse 1

- Leaving everything that I knew
- Nomore hurting I am threw
- Goodbye!
- Forgetting about things I don't like
- Looking forward to my life
- Though it still ain't clear
- Moving to new a place
- Don't where im going
- Nothing new
- As were driving down the road
- I think about all I knew
- And I just have to say goodbye
-

Chorus

- Oh saying goodbye
- I know should make me cry
- Oh but I don't feel sad inside
- Im just feeling so alive
- And is that so wrong
- When im saying goodbye
- Oh saying goodbye
-

Verse 2

- Tired of thinking about the wrong
- Thats so right
- How many times i've told myself
- Leave this life put it on the shelf
- And I just have to say goodbye
-

Coda

- I swear
- There's got to a happiness out there
- Somewhere
- Someday
- Im gonna find it someday somehow somewhere!
- Leaving everything that I knew
- Nomore hurting I am threw
- Goodbye!
- Forgetting about things I don't like
- Looking forward to my life
- And I just have to say goodbye
- And I just have to say goodbye
