

Lorraine McFarland, Song To Myself

Verse 1

- Don't cry
- haven't in awhile
- Unless in those really sad movies
- Cause I feel like I'm where I belong
- So what
- If like Barbra Streisand
- What's wrong
- If I like my teacher
- can't help it if he's really cute
- have been damned before
- won't be damned nomore

Chorus

- Song to myself
- just wanna sing to myself
- Cause im tired of singing about
- Everyone else
- just need to sing out loud
- What I am feeling about
- I'm doing this for myself
- The way I always should (long note)

Verse 2

- hold a grudge
- Against my "ex" friends
- should just curse them out
- Cause they wen't and they forgot me many times (low)
- have been damned before
- won't be damned nomore

Coda

- (oohs)
- Song to myself
- just wanna sing to myself
- Cause im tired of singing about
- Everyone else
- just need to sing out loud
- What I am feeling about
- I'm doing this for myself
- The way I always should (long note)
