

Loraine McFarland, The End Of The World

Verse 1

- There's a beautiful disaster due soon
- Anticipating and waiting for it
- Some people say that im crazy I don't give a damn
- When there dying there i'll tell them that I told them so

□ Chorus

- The end of the world
- Flashing before my eyes
- All the evils here on earth are being punished for
- The beauty of it
- You can't do nothing
- He ended before and he'll end it for the last time

□ Verse 2

- Sick of hearing sad songs
- Sick of talk about the war
- When the world is gone what will you worry for
- Do I depress you
- Do I make you really sad
- Get the hell over it, I wish you would shut the fuck up and just try to listen for a goddamn change y

□ Coda

- Soon the day will come
- And they will see that I wasn't crazy, never was
- Prepare for the end
- The end of the world
- Flashing before my eyes
- All the evils here on earth are being punished for
- The beauty of it
- You can't do nothing
- He ended before and he'll end it for the last time
