

Loraine McFarland, The Other One

Verse 1

□ I didn't know
□ The day we met
□ I'd fall into you so deep □
□ Yet now I forget
□ About my □
□ Boyfriend
□ But somehow I can't get this guy
□ Out of my head

□ Chorus

□ He is the other one
□ The one I can't keep my eyes off of
□ The one I talk about all day
□ Then I feel so bad □
□ I'm cheating on the one I love
□ So why can't I just move on
□ The other one

□ Verse 2

□ Am I crazy
□ Or insane
□ Or is there something more to this
□ I can't let go away
□ The one problem that I have
□ My boyfriend won't get rid of his
□ Other girlfriend
□ Oh and I
□ I can't deny it
□ He's the right
□ Kind of wrong

□ Coda

□ We must have met for some reason
□ It just feels right
□ And I don't know why
□ We must have met for some reason
□ It wasn't a lie
□ Cause you are mine □
□ Yet...
