

Loraine McFarland, There Lies

Verse 1

- They will take your dreams and turn em upside down
- They will talk about you when your not around
- Reality can really cut you down to size
- I've seem them before
- And im not blind
- They'll hurt you with there lies
- They'll make you promises they'll never keep
- Then you'll know why people say talk is cheap
- Life resembles one big compromise
- I've seem them before
- And im not blind
- They'll hurt you with there lies
-

Chorus

- Keep on shining
- Keep on smiling
- Don't loose faith and don't loose heart
- When your crying
- Just keep trying to remind yourself
- Your a shining star
- Yes you are
-

Verse 2

- Somewhere down the line they'll say it's just a joke
- When you know there playing you what
- What will you say
- Theres nothing you can do to qualify
- Just say goodbye
- To them and there lies
- You've seem them through your eyes
