

Loraine McFarland, Thing's I Didn't Say

Verse 1

- I never got a chance to tell you
- What you really meant to me
- Now I regret it every single waking day
- The moments I let pass and slip away

□

□ Chorus

- I use to love you
- But now I miss you
- It hurt me when it felt like your letting go
- I could not see you
- When you were right in front of me
- And it kills me inside everyday
- With things I didn't say

□ Verse 2

- You would want me to be happy
- Like when I was with you
- But how can I feel better
- I don't think I can if im not with you

□ Coda

- If I could go back in time
- I'd right all my wrongs
- And finally say I love you
- I use to love you
- But now I miss you
- It hurt me when it felt like your letting go
- I could not see you
- When you were right in front of me
- And it kills me inside everyday
- With things I didn't say
- How dare me
- Im lost in shame
- With things I didn't say
- I love you
- Love you
