

# Loraine McFarland, Walked Away

## Verse 1

- ☐ Here I am
- ☐ All alone again
- ☐ Staring at my phone
- ☐ And everything I do
- ☐ Reminds me of you
- ☐ Anytime someone says babe
- ☐ Your scent on my shirt
- ☐ Doesn't seem to go away
- ☐ Even though its been days

## ☐ Chorus

- ☐ Since you went away
- ☐ I feel like a part of me's gone
- ☐ You say im the one to blame
- ☐ I did no wrong
- ☐ It's not my fault
- ☐ You walked away

## ☐ Verse 2

- ☐ Can't even text on the telephone
- ☐ Just use to it saying your name
- ☐ Even though you did me wrong
- ☐ Between you & I
- ☐ What we had was real
- ☐ No matter what you say
- ☐ Even though we fade away
- ☐ We both know inside
- ☐ What we know today

## ☐ Coda

- ☐ Hope your happy with that girl
- ☐ Hope she's everything and something more
- ☐ She may do things I couldn't do but
- ☐ Would she write a song for you

## ☐ Chorus 2

- ☐ Since you went away
- ☐ I feel like a part of me's gone
- ☐ There's nothing left I can say
- ☐ I've moving on
- ☐ Though we belonged
- ☐ But you walked away
