

Lorraine McFarland, You've Gone Away

Verse 1

- I've been sad and crying way to much since that cold day
- The date of my death was when you left me
- I knew that day would eventually come
- When I had to let go and give you away
- I havn't really gotten over it
- It's just been held back inside

□ Chorus

- Since you've gone away
- Things havn't been the same
- I never pictured any minute
- Without you in it
- Boy I feel so bad
- Sometimes I wish that you were there
- Like you always use to be
- But sometimes I feel that I was lucky to have had the chance to know you so
- If I could only tell you things i'd never say
- Since you've gone away

□ Verse 2

- Walking up the stairs to get a glance of you
- Or listen to your every single word
- Little things like that make me feel miserable
- I can't believe the fact that are gone
- Everybody thinks i've lost my mind
- But I can't help the awful truth..

□ Coda

- Since you've gone away
- I've been sad and crying way to much since that cold day
- Will I ever make it through this
- Guess i'll have to see
