

# LORDE, Tennis Court

Don't you think that it's boring how people talk  
Making smart with their words again, well I'm bored  
Because I'm doing this for the thrill of it, killin' it  
Never not chasing a million things I want

And I am only as young as the minute is full of it  
Getting pumped up on the little bright things I bought  
But I know they'll never own me

Baby be the class clown  
I'll be the beauty queen in tears  
It's a new art form showing people how little we care  
We're so happy, even when we're smilin' out of fear  
Let's go down to the tennis court, and talk it up like

Pretty soon I'll be getting on my first plane  
I'll see the veins of my city like they do in space  
But my head's filling up fast with the wicked games, up in flames  
How can I fuck with the fun again, when I'm known  
And my boys trip me up with their heads again, loving them  
Everything's cool when we're all in line for the throne  
But I know it's not forever

Baby be the class clown  
I'll be the beauty queen in tears  
It's a new art form showing people how little we care  
We're so happy, even when we're smilin' out of fear  
Let's go down to the tennis court, and talk it up like

It looked alright in the pictures

Getting caught's half of the trip though, isn't it?  
I fall apart with all my heart  
And you could watch from your window

And you can watch from your window

Baby be the class clown  
I'll be the beauty queen in tears  
It's a new art form showing people how little we care  
We're so happy, even when we're smilin' out of fear  
Let's go down to the tennis court, and talk it up like

And talk it up like  
And talk it up like  
Let's go down to the tennis court, and talk it up like  
And talk it up like  
And talk it up like  
Let's go down to the tennis court, and talk it up like
