

# Lords Of Acid, Lover (Cake Mix)

Fill me up, don't stop  
Just a little deeper, baby  
Give it your best shot  
although it seems  
a little too fast for you  
Do you think I'm too rough for you  
Lover I will come for you  
Lover, anytime you want me to  
Lover, I'll be there for you  
Lover Lover Lover  
Give me some  
let's get it on  
Just a little harder baby  
Gotta come on strong  
If you want  
I'll set you free  
Gotta give you big time sexuality  
Lover, I will come for you  
Lover anytime you want me to  
Lover I'll be there for you  
Lover Lover Lover
