

Lords Of Acid, Nasty Love

Beautiful
So sensual
You are the foxy thing I've always dreamed of

Adorable
And so sexual
I've got the hots for you when I look at you love

Hot hot hot
Is the way you make me feel boy
Wild wild wild
Dirty passion in the end
Love love love
Lay your nasty love on me boy
I need a hot wild lover to cum all over me

Full of fire
Conquer desire
My plan is pumping wild
When I float to you boy

Dangerous
So sensuous
Give me the night of sin
Let me into your world

Hot hot hot
Is the way you make me feel boy
Wild wild wild
Dirty passion in the end
Love love love
Lay your nasty love on me boy
I need a hot wild lover to cum all over me

Hot hot hot
Is the way you make me feel boy
Wild wild wild
Dirty passion in the end
Love love love
Lay your nasty love on me boy
I need a hot wild lover to cum all over me
