

# Lorene Drive, Kill Your Lover

You hold my hand so tight  
Let's give it one more try  
If it's not perfect, It's not worth it  
And it's far from fucking perfect

This angel incidence,  
My apologies..  
Don't call the ambulance,  
You are so unlucky

A lover since birth  
A massacre, blood thirsty  
Sometimes I swear you're cursed,  
Why do I try?

So I'm on my way  
And I'm headed right for you  
I ain't taking any shortcuts  
Or your way to pull me through  
Cause I'm on my way  
And I'm headed straight for you.

Too many mistakes were made, goodbye goodbye  
Mistakes were made  
The slaughter house has left me with nothing  
And I look away  
So I'll turn my back  
And hope to God you don't stab me in it!

Sometimes I feel so hurt  
Why do we lie?

Too many mistakes were made  
Goodbye sweetheart, Goodbye!  
We could not listen to ourselves  
More often than not, more often than not  
We should have done a lot of things (a lot of things)

I'll turn my back, I'll turn my back..

So I'm on my way  
And I'm headed right for you  
I ain't taking any shortcuts  
Or your way to pull me through  
Cause I'm on my way  
And I'm headed straight for you.

Yes I'm on my way  
And I'm headed right for you, straight for you!
