

Lorene Drive, So Easy

She said let go, goodbye
So pathetic yet it seems so right
I said alright, okay
Anything to make me go away
If you get back before I do
If you could only hear me through
It used to be so easy
Oh no you've gone and done it
All over time and time again
She said alright okay
Anything to make me away
I said oh no don't cry
Another day like this and I'll lose my mind
Cause it seems to me you're leaving
You must have your reasons
Again another season, one more day
And my heart stops beating
