

Loretta Lynn, Another Man Loved Me Last Night

He doesn't know that I can't look him in the eyes
For that I can't speak or I'll start tellin' lies
I hope he thinks that I'm just moody and quiet
But another man loved me last night.

Yes, another man loved me last night
I'd almost forgotten what love was really like
But I'm only human, only a woman
I let another man love me last night.

--- Instrumental ---

While he's sleepin', well, I'm crying here awake
Not being loved was more than I could take
So it was wrong, there in his arms, it seemed so right
When another man loved me last night.

Yes, another man loved me last night
I'd almost forgotten what love was really like
But I'm only human, only a woman
I let another man love me last night...
