

# Loretta Lynn, Bargain Basement Dress

(Loretta Lynn)

Well on a Friday night you draw your pay and you take in the town  
You leave me at home just to lose my mind for you are messin' around  
But it's four in the morning and you stagger in and you sure look a mess  
With a smile on your face and out stretched arms and a bargain basement dress  
I wouldn't wear that dress to a dogfight if your side was free  
And the bargain basement dress ain't enough to get your arms around me  
Well you say when a man was hard all week he deserves to play all rest  
But honey that ain't right to get out of my side with that bargain basement dress  
[ dobro - steel ]  
I wouldn't wear that dress to a dogfight if your side was free  
And the bargain basement dress ain't enough to get your arms around me  
Now I took all I'm a gonna take and I'm a leavin' you the rest  
Tell you what I'll do I'll just leave you that bargain basement dress  
Tell you what I'll do I'll just leave you that old bargain basement dress
